

# Backstreet Boys, How Did I Fall In Love With You

Remember when, we never needed each other  
The best of friends like sister and brother  
We understood, we'd never be  
Alone  
Those days are gone now I want so much  
The night is long and I need your touch  
Don't know what to say, I never meant to feel this way  
Don't wanna be alone tonight  
What can I do, to make it right  
Falling so hard so fast this time  
What did I say, what did you do?  
How did I fall in love with you?  
I hear your voice and I start to tremble  
Brings back the child that I resemble  
I cannot pretend, that we can still be friends  
Don't wanna be alone tonight  
What can I do to make it right  
Falling so hard so fast this time  
What did I say, what did you do?  
How did I fall in love with you?  
Oh I want to say this right and it has to be tonight  
Just need you to know, oh yeah  
I don't wanna live this life, I don't wanna say goodbye  
With you I wanna spend the rest of my life  
What can I do to make it right  
Falling so hard so fast this time  
What did I say, what did you do?  
How did I fall in love with you?  
What can I do to make it right  
Falling so hard so fast this time  
Every thing's changed, we never knew  
How did I fall in love, with you?
