

Backstreet Boys, I Need You Tonight / Heaven In

Open up your heart to me,
And say what's on your mind.
I know that we have been
Through so much pain,
But I still need you in my life this time, and....

CHORUS:

I need you tonight.
I need you right now.
And I know, deep within my heart,
It doesn't matter if it's wrong or right.
i see heaven in your eyes.
I figured out what to say to you
But sometimes the words they come out so wrong (oh yes they do)
And I know in time that you will understand
That what we have is so right this time, and...

CHORUS:

I need you tonight.
I need you right now.
And I know, deep within my heart,
It doesn't matter if it's wrong or right.
All those endless times
When we tried to make it last forever more
And baby I know, I need you.
I know deep within my heart,
It doesn't matter if it's wrong or right.
cause i see heaven..
I need you tonight
I need you right now
I know deep with in my heart
It doesn't matter if it's wrong or right,
Cause i see heaven, in your eyes
(ooh ooh ooh ooooooh).
