

# Backstreet Boys, I Still

Who are you now?  
Are you still the same  
Or did you change somehow?  
What do you do  
At this very moment when I think of you?  
And when I'm looking back  
How we were young and stupid  
Do you remember that?  
Baby

No matter how I fight it  
Can't deny it  
Just can't let you go

I still need you  
I still care about you  
Though everything's been said and done  
I still feel you  
Like I'm right beside you  
But still no word from you

Now look at me  
Instead of moving on, I refuse to see  
That I keep coming back  
And I'm stuck in a moment  
That wasn't meant to last (to last)

I've tried to fight it  
Can't deny it  
You don't even know

That I still need you  
I still care about you  
Though everything's been said and done  
I still feel you  
Like I'm right beside you  
But still no word from you

Oooooohhhh  
Wish I could find you  
Just like you found me  
Then I would never let you go (without you)

Though everything's been said and done (yeah)  
I still feel you (I still feel you)  
Like I'm right beside you (like I'm right beside you)  
But still no (still no word) word from you
