Backstreet Boys, I Want It That Way Remix (No C

I'm yours, completely I feel, so deeply You're my thought for everyday And I want it that way

My life, is for you And I, adore you I love you more everyday And I want it that way

Chorus:
No goodbyes
(ain't nothing but a heartache)
No more lies
(ain't nothing but a mistake)
That is why
I love it when I hear you say
I want it that way

My heart, is on fire
Such a strong, desire (desire)
Yes I know it's too late
But I want it that way

CHORUS

I gave you my heart Baby right from the start And thats the way it will always be No matter the distance I want you to know That deep down inside of me

You are my fire
The one desire
You are (4x)
Don't wanna hear you say
Ain't nothing but a heartache
Ain't nothing but a mistake
I love it when I hear you say
You want it that way

CHORUS (x2)

Cause I want it that way
