

# Backstreet Boys, If I Knew Then

Life should be like a game of cards  
You make a mistake shuffle the deck and start over  
It should be just like drivin' in your car  
Get lost and your navigation system gets you closer  
But there ain't no handbook, you're on your own  
Got no instructions when it comes to love  
'Cause once you do something can't be undone  
Wish I could take back letting you go  
If I knew then what I know now  
I wouldn't have said I don't need you around  
Alone in this mess silence is so loud  
So I would treat you the best, baby if I knew then  
What I know now, what I know now  
What I know now, what I know now  
What I know now, what I know now  
What I know now, what I know now  
Yeah, I would treat you the best  
Baby, if I knew then what I know now  
Wish I get remote controls  
Then I just rewind into the time it was better  
It should have a restart button  
So I could travel right back to the day that I met her  
But there ain't no handbook, you're on your own  
Got no instructions when it comes to love  
'Cause once you do something can't be undone  
Wish I could take back letting you go  
If I knew then what I know now  
I wouldn't have said I don't need you around  
Alone in this mess silence is so loud  
So I would treat you the best, baby, if I knew then

What I know now, what I know now  
What I know now, what I know now  
What I know now, what I know now  
Yeah, I would treat you the best  
Baby, if I knew then what I know now  
'Cause there ain't no handbook, you're on your own  
Got no instructions when it comes to love  
'Cause once you do something can't be undone  
Wish I could take back letting you go  
If I knew then what I know now  
I wouldn't have said I don't need you around  
Alone in this mess silence is so loud  
So I would treat you the best, baby, if I knew then  
What I know now, what I know now  
What I know now, what I know now  
What I know now, what I know now  
Yeah, I would treat you the best  
Baby, if I knew then what I know now  
If I knew then what I know now  
I wouldn't have said I don't need you around  
Alone in this mess silence is so loud  
So I would treat you the best, baby, if I knew then  
What I know now, what I know now  
What I know now, what I know now  
What I know now, what I know now  
Yeah, I would treat you the best  
Baby, if I knew then what I know now
