

Backstreet Boys, Just Want You To Know

Looking at your picture from when we first met
You gave me a smile that I could never forget
And nothing I could do could protect me from you that night

Wrapped around your finger, always on my mind
The days would blend 'cause we stayed up all night
Yeah, you and I were everything, everything to me

I just want you to know that I've been fighting to let you go
Some days I make it through and then there's nights that never end
I wish that I could believe that there's a day you'll come back to me
But still I have to say I would do it all again
Just want you to know

All the doors are closing I'm tryin' to move ahead
And deep inside I wish it's me instead
My dreams are empty from the day, the day you slipped away

I just want you to know that I've been fighting to let you go
Some days I make it through and then there's nights that never end
I wish that I could believe that there's a day you'll come back to me
But still I have to say I would do it all again
Just want you to know

That since I lost you, I lost myself
No I can't fake it, there's no one else

I just want you to know
That I've been fighting to let you go
Some days I make it through and then there's nights that never end
I wish that I could believe that there's a day you'll come back to me
But still I have to say I would do it all again
Just want you to know

That I've been fighting to let you go
Some days I make it through and then there's nights that never end
I wish that I could believe that there's a day you'll come back to me
But still I have to say I would do it all again
Just want you to know
