

Backstreet Boys, Love Knows I Love You

Love Knows I Love You

You make me say it 25 times a day
You make me feel you don't believe the words I say
What is a man to do to prove his love for you?
You make me feel like i'm just givin' free love away

I can send flowers tomorrow
But it doesn't mean a thing
If your heart rejects the message from mine
It's a waste of time

Baby love knows I love you
Baby love knows the truth
Baby love knows the feeling that is in here
Resting in my heart
From the very start
I loved you
Resting in my heart
From the very start
I loved you

Yeah, I look at you and know I never loved anyone more
You make me feel like a child in a candy store
What can I do to prove
That you're a dream come true
And in this dream there's a pulse from my heart to you
I can send daisies daily
But it never will penetrate
If your heart if rejects the best from mine
It's a waste of time

Baby love knows I love you (I really do)
Baby love knows the truth
Baby love knows the feeling that is in here
Resting in my heart
From the very start
I loved you (I really do, babe)
Resting in my heart
From the very start
I loved you

Baby I'm lookin for cupid
Can I tie him in a ball and chain
To see if he can say to you
The words that make you feel my love is real, oh

Baby love knows I love you
(That's right you know I love you, baby girl)
Baby love knows the truth
(Hey gotta know the truth, you know I love you)
Baby love knows the feeling that is in here
Resting in my heart
(In my heart)
From the very start
I loved you
(Yeah, that's right)
Resting in my heart
From the very start
I loved you, yeah
