Backstreet Boys, Show 'Em (What You're Made C

I've seen it all a thousand times
Falling down I'm still alive, Am I? Am I?
So hard to breathe when the water's high
No need to swim I'll learn to fly, so high, so high
You find the truth in a child's eyes
When the only limit is the sky
Living proof I see myself in you

When walls start to close in Your heart is frozen over Just show 'em what you're made of When sun light is fading The world will be waiting for you Just show 'em what you're made of

Gloves are off, Ready to fight Like a lion I will survive. Will I? Will I? You gotta stand for something Even if you stand alone, don't be afraid It's gonna be alright

You find the truth in a child's eyes When the only limit is the sky Living proof I see myself in you,

When walls start to close in Your heart is frozen over Just show em what you're made of When sun light is fading The world will be waiting for you Just show 'em what you're made of (Just show 'em what you're made of)

You find the truth in a child's eyes When the only limit is the sky Living proof I see myself in you...

When walls start to close in Your heart is frozen over Just show em what you're made of (You can show 'em what you're made of!) When sun light is fading The world will be waiting for you (For you, for you!) Just show em what you're made of (You can show 'em what you're made of)
