Song For The Unloved (Bonus Track)

This ones for the mothers

who have lost a child

This ones for the gypsies

Who left their hearts behind

This is for the strangers sleeping in my heart

Take what they want and leave while its still dark

No one is glamorously lonely

All by themselves

This is a song for the unloved

This is the music for one last cry

This is a prayer that tomorrow will

Help me leave the past behind

It's a song for the unloved

The unloved

This ones for the bridesmaid

Never the bride

This ones for the dreamers

Who lock their faith inside

This is for the widows

Who think there's only one

For the dying fathers

Who never told their sons

No one is glamorously lonely

Follow your heart

This is a song for the unloved

This is the music for one last cry

This is a prayer that tomorrow will

Help me leave the past behind

It's a song for the unloved

The unloved

Oh, tomorrow the sun will shine

And dry the tears in your eyes

Suddenly love comes alive

For one last cry

Just one last cry

This is a song for the unloved

This is the music for one last cry

This is a prayer that tomorrow will

Help me leave the past behind

This is a song for the unloved

This is the music for one last cry

This is a prayer that tomorrow will

Help me leave the past behind

This is, This is the song for the unloved

This is the music for one last cry

This is a prayer that tomorrow will

Help me leave the past behind

It's a song for the unloved

Song for the unloved

The unloved
