

# Backstreet Boys, That's The Way I Like It

(That's the way I like it baby, that's the way I like it)  
That's the way I like it  
(That's the way I like it baby, that's the way I like it)  
That's the way I like it  
Somebody told me that you're not my kind  
So have I lost my mind?  
(That's the way I like it)  
You keep on doing all the things I like  
You've got me hypnotized  
That's the way I like it  
Girl you make me wanna move  
It's a price I've got to pay  
For all the things you do  
But I like it  
Gotta listen to the groove  
And you gotta listen well  
The way you do it  
That's the way I like it  
Everybody now, I like it  
Everybody now, that's the way I like it  
Everybody come on, I like it  
Everybody come on, that's the way I like it  
Oh mystery lady you got something I like  
Tell me you're here to stay  
You're dangerous so baby can't you do me right?  
Will you come out to play? 'Cuz that's the way I like it  
Gotta listen to the groove  
And you gotta listen well  
The way you do it  
That's the way I like it  
Everybody now, I like it  
Everybody now, that's the way I like it  
Everybody come on, I like it  
Everybody come on, that's the way I like it

(That's the way I like it baby, that's the way I like it)  
That's the way I like it)  
Everybody come on, I like it  
Everybody come on  
Now listen to the groove  
And you gotta listen well  
The way you do it  
Hey  
That's the way that I like it  
That is the way I like it  
That's the way that I like it  
That is the way I like it  
That's the way that I like it  
(Everybody now)  
That is the way I like it  
(Everybody now)  
That's the way that I like it  
(Everybody come on)  
That is the way I like it  
(Everybody come on)  
That's the way I like it  
That's the way that I like it  
(Everybody now)  
That is the way I like it  
(Everybody now)  
That's the way that I like it  
That's the way that I like it  
(Everybody come on)  
That is the way I like it

(Everybody come on)  
That's the way I like it  
Baby, that's the way I  
That's the way I like it, that's the way I
