

Backstreet Boys, The One (Live)

I'll be the one, oh, yeah
Oh, c'mon, c'mon, ooh
I guess you were lost when I met you
Still there were tears in your eyes
So out of trust and I knew
No more than mysteries and lies
There you are wild and free
Reachin' out like you needed me
A helping hand to make it right
I am holding you all through the night
I'll be the one, I'll be the one
Who will make all your sorrows undone
I'll be the light, I'll be the light
When you feel like there's nowhere to run
I'll be the one
To hold you and make sure that you'll be alright
'Cuz my fear is gone
And I want to take you from darkness to light, yeah
There you are wild and free
Reachin' out like you needed me
A helping hand to make it right
I am holding you all through the night
I'll be the one, I'll be the one
Who will make all your sorrows undone
I'll be the light, I'll be the light
When you feel like there's nowhere to run
I'll be the one
To hold you and make sure that you'll be alright, yeah
You need me, I need you
We can share our dreams comin' true
I can show you what true love means
Just take my hand, baby, please
I'll be the one, I'll be the light
Where you can run to make it alright
I'll be the one, I'll be the light
Where you can run
I'll be the one, I'll be the one
Who will make all your sorrows undone
I'll be the light, I'll be the light
When you feel like there's no where to run
I'll be the one
I'll be the one, I'll be the light
Where you can run to make it alright
I'll be the one, I'll be the light
Where you can run to make it alright
I'll be the one
To hold you and make sure that you'll be alright
I'll be the one, yeah
