

Backstreet Boys, We've Got It Going On

Everybody groove to the music
Everybody jam, we've been waiting so long
Just can't hold it back no more
Creepin' up and down now
It's time for me to let it go
If you really wanna see
What we can do for you
Send the crazy wildin' static, sing it
Jam 'cause Backstreet's got it
Come now everybody
We've go it goin' on for years
Jam 'cause Backstreet's got it
Come now everybody
We've go it goin' on for years
Well, I'm creepin' up on your left
Straight up funky when I get with you
I get ruthless when I get wet
Keep the party packed in my corner
Tough like to keep the crowd hype
Get up on this just to get right
What you want is what you're gonna get
Backstreet's got the special effects
If you really wanna see
What we can do for you
Send the crazy wildin' static, sing it
Jam 'cause Backstreet's got it
Come now everybody
We've go it goin' on for years
We've got it going on for years
We've been waiting so long
Just can't hold it back no more
Creepin' up and down now
It's time for me to let it go
Jam 'cause Backstreet's got it
Come now everybody
We've go it goin' on for years
