Who Do You Love

AJ: I know he's driving a fancy car

When you're with him you're feeling like a star

But when I'm at home alone I think only of you

So what do you know, how does it go

Brian: So how can he buy a love that's not for sale

If you two are so in love I couldn't tell, baby

Cause when I'm at home alone I hear your hardest vows

You gotta know, how does it go

All: Who do you love

Who do you love

Brian: Girl I know that you are torn between

What was and what could be

All: I wanna know, gotta know

Wanna know, gotta know

AJ: Who do you love, ohh...do you love..oh yes

Brian: So let's take some time out to find the way

Cause there's just so many things that I need to say

Cause when the lights are down and love is in the air

And I need to know do you really care (AJ: Do you really care, baby)

All: Who do you love

Brian: Tell me who do you love

All: Who do you love

Brian: Girl I know that you are torn between

What was and what could be

All: I wanna know, gotta know

Wanna know, gotta know

AJ: Who do you love, ohh...do you love (Brian: Oh yeah)

AJ: Girl I found I just can't leave you alone

All: Ain't nobody gonna tell me I'm wrong

AJ: I promise I will make over home

And if you're ever in need

All: Put your full trust in me

Brian: And I will never leave you at home

All: Who do you love

Brian: Tell me who yeah

All: Who do you love

Brian: I need to know, baby

AJ: Girl I know that you are torn between

What was and what could be

All: I wanna know, gotta know

Wanna know, gotta know

AJ: Who do you love

Brian: Who do you love

AJ: Who do you love
