

# Backyard Babies, Get Dead

Backyard Babies  
Total 13  
Get Dead  
(dregen, borg)

You say it&acute;s wrong  
But i say alright  
Alright is wrong  
Or might is right  
Everything is fucked so bad  
So messed up so sad  
You ain&acute;t feeling so fine  
When there&acute;s too much speed along the line  
And there&acute;s freak confusions in your bed  
And you got triple sixes in your head

So get dead on an anything-can-happen-day  
Baby, get dead, oh, yeah, yeah, yeah

I walk on by  
I need a higher  
Place to go away  
On an anything-can-happen-day  
There&acute;s freak confusions in your bed  
And you got triple sixes in your head

So get dead on an anything-can-happen-day  
Baby, get dead, oh, yeah, yeah, yeah

I said, get dead

See what i hear  
Feel what i fear  
So what&acute;s new, what you trying to do  
I make no deals with you

Get dead on an anything-can-happen-day  
Baby, get dead, oh, yeah, yeah, yeah

I said, get dead  
Get dead  
Baby, get dead  
Get dead
