

# Backyard Babies, Heaven 2.9

Someone put me on a plane  
Goodbye, farewell, adios my friends  
I need a holiday  
S.a.s. is takin' off again  
I wanna have my fun  
Where the nights are long  
We wanna go away  
Where the sun will always shine  
We're in heaven 2.9  
Or just put me on a train  
Goodbye, farewell, adios my friends  
Tell her I said 'Hey'  
And I might not come home again  
I wanna have my fun  
Where the nights are long  
We wanna go away  
Where the sun will always shine  
We're in heaven 2.9  
A London queen  
Tokyo teen  
A Frisco fag in the disco scene  
A New York doll  
And the Berlin boys  
Can I ride in your car  
Goodbye, farewell, adios my friends  
Vacations at the jet set sunset bay  
My girls are drivin' me insane  
I wanna have my fun  
Where the nights are long  
We wanna go away  
Where the sun will always shine  
We're in heaven 2.9  
We're in heaven 2.9  
Ohoohoh  
We're in heaven 2.9  
Ohoohoh  
We're in heaven 2.9  
Ohoohoh
