Backyard Babies

Highlights

(borg, dregen)

I saw red, i saw green

I think i saw what the whole world&acute;s seen

Gotta get away, gotta get away

`cause i know that nothin&acute; lasts forever

In my dreams

But there&acute;s a highlight let me be

I need a kick, you need a fix

We are livin&acute; on borrowed time

Generation breakdown destination hellbound

But i know that nothin&acute; lasts forever

Hallucinating, stuck together

There&acute;s a highlight let me be

Only you and me

It will blow me away

I will never forget

It took a piece of my soul

One day i will burn my hand

And i&acute;ll be resurrected in the promised land

Among the gods i feel power and joy

I made my choice but nothin&acute; will last forever

In my dreams

There&acute;s a highlight let me be

Don&acute;t let me out

Nothin&acute; will last forever

Hallucinating, stuck together

There&acute;s a highlight can&acute;t you see

Only you and me

Nothin&acute; will last forever

In my dreams

There&acute;s a highlight let me be
