Let's Go To Hell
(borg)

Out of money
Out of cash, man
It´s the only thing that makes the world go round
I need diamonds
I need gold, man
´cause i can´t make a scene without the green

Don´t come telling me that love is the priority
I´m broke as hell, man
I need a wishing well, man
Born with a spell, man
I love that smell, man

I got no reason to lie
I need cash or i will die
I got no reason to lie

I can´t control it
I just wanna hold it
´cause it will make me feel that i´m a man
So give me money
I said, give me money, man
´cause i don´t care as long as i´m in command

Don´t come telling me that it is just an enemy
I´m broke as hell, man
I need a wishing well, man
Born with a spell, man

I got no reason to lie
I need cash or i will die
I got no reason, i got no reason to lie

I´m broke as hell, man
I need a wishing well, man
Born with a spell, man
I love that smell, man
I don´t wanna dwell, man
Let´s go to hell, man

I got no reason to lie
I need cash or i will die
I got no reason, i got no reason to lie

Don´t come telling me love is the priority
Everything is blue
And don´t you see how it´s killing me
