

# Backyard Babies, Should I Be Damned

She's down and dirty  
She's everything a mother wouldn't like to see  
Don't you ever come back home to me

Losing my pride, losing my faith  
Losing everything that I used to have  
Hell dance around you, baby

Could I be such a fool myself?  
Could I, should I

Should I, should I be damned?  
Baby, don't slap my face again  
Little honey, should I be so damned?

Man keeps talking what I should do  
Won't get the fuck out, I don't care about you  
I can never come back down again

Losing my love, losing my sex  
I leave you, honey, lying on the bed at night  
Hell dance around you, baby

Could I be such a fool myself?

Should I, should I be damned?  
Baby, don't slap my face again  
Little honey, should I be so damned?

Should I, should I be damned?  
Should I be damned?

Well, could I be such ...

I can't do what you want  
I can't talk like the devil in the glass  
You don't mean nothing  
You don't mean nothing to me

I can't believe what I saw in your eyes  
When you cried, little sister  
People might come and people might go  
But do you really wanna be a devils toy again?

Should I, should I be damned?  
Baby, don't slap my face again  
Little honey, should I be so damned?

Should I, should I be damned?  
Should I, should I be damned?  
Should I, should I be damned?

Should I be damned?
