

# Bacon Brothers, Strung Out

WRITTEN BY KEVIN BACON

Yeah I used to smoke like a house on fire  
I couldn't put them down  
And I would drink all night till the morning light  
They'd find me on the ground  
You name it I abused it  
Without shame I used it  
There is just one thing that I can't let go  
When it comes to you I just can't say no

## CHORUS

Strung Out on you baby  
And I can't clean up my act  
You're like a heavenly addiction  
You're like an angel on my back  
It's a physical dependence girl  
There's nothing I can do  
I just can't get enough of your sweet sweet love  
And I'm still Strung Out on you

The first time that I saw you girl  
My hands began to shake  
I was hypnotized paralyzed watching every move you make  
Every second every minute  
I was falling deeper in it  
How was I to know that that one sweet kiss  
Would lead to harder stuff like this

## CHORUS
