

# Bad Acid Trip, P.C.

There's too much judging  
And I can't hang  
But I 'm a hypocrite cuz I constantly complain  
Political correctness makes me sick  
They took a good idea and twisted it  
Bandwagon prophets are what you see  
Another fucking program for MTV  
Political correctness makes me sick  
They took a good idea and twisted it  
There's too much judging  
And I can't hang  
But I 'm a hypocrite cuz I constantly complain  
Political correctness makes me sick  
They took a good idea and twisted it
