

Bad Acid Trip, Plate Of Shrimp

It happens all the time
You just never realize
Like miller says
Just a plate of shrimp
Happens every day
But it's never to be seen
Part of the cosmic unconsciousness
Do you know what i mean
Plate of f**king shrimp
F**king plate of shrimp
Dose his best thinking on the buss
Driving makes you dummer
You know who to trust
F**king plate of shrimp
Plate of f**king shrimp
