

# Bad Astronaut, Crest Fallen

I know that evil's overrated  
Killing is my new thing  
And afterall i gotta deal with erasing everything  
Finding you was the worst thing i've seen  
Like me in the best shape that i've been

Grieve for you in time  
Waiting out the crime  
It's good enough for you

I know yeah i know  
Evil is the only way to go  
If i could act like  
I'd only act like them  
Don't act like them
