

Bad Astronaut, Crest Fallen

I know that evil's overrated
Killing is my new thing
And after all i gotta deal with erasing everything
Finding you was the worst thing i've seen
Like me in the best shape that i've been

Grieve for you in time
Waiting out the crime
It's good enough for you

I know yeah i know
Evil is the only way to go
If i could act like
I'd only act like them
Don't act like them
