

Bad Boys Blue, Rhythm of rain

Rhythm of rain can't stand it when the rain comes down.
Rhythm of rain can't stand it when the rain comes down.
I am standing at the window. Staring down the street.
Gonna think about the times when you were mine.
And I tell myself again I can't get over you.
But I'm missing you like crazy, I do.
Rhythm of rain can't stand it when the rain comes down.
Rhythm of rain can't stand it when the rain comes down.
But no matter how I try. I cannot sleep tonight.
And I blame it on the thunder from outside.
When I listen to the sound of tears that heaven cries.
Then I'm missing you like crazy, tonight.
Rhythm of rain can't stand it when the rain comes down.
Rhythm of rain can't stand it when the rain comes down.
