

Bad Boys Blue, What A Feeling

Let me wrap you in my warm and tender love
Let me wrap you in my warm and tender love
Oh I love you for long long time
Darling please you'll be mine
Let me wrap you in my warm and tender love
Let me wrap you in my warm and tender love
Let me wrap you in my warm and tender love
Yes, I love you all so bad
Come on, please me with your touch
And let me wrap you in my warm and tender love
Oh I love you for long long time
Darling please you'll be mine
Let me wrap you in my warm and tender love
Let me wrap you in my warm and tender love
Let me wrap you in my warm and tender love
Oh I love you for long long time
Darling please you'll be mine
And let me wrap you in my warm and tender love
Yes, I love you all so bad
Come on, please me with your touch
And let me wrap you in my warm and tender love
Let me wrap you in my warm and tender love
Let me wrap you in my warm and tender love
Let me wrap you in my warm and tender love (Everything will be alright, if you just let me
in)
Let me wrap you in my warm and tender love...
