

Bad Brains, Big Take Over

No one dared to show for that shower
When nobody turned to be clean
Was not even touched by the water
Just another nazi scheme
The big takeover
All throughout this so called nation
Prepare yourself for the final quest
Your world is doomed with our own integration
Just another nazi test
The big takeover
So understand me when I say
There's no hope for this U. S. A
Your world is doomed with our own integration
Just another nazi test
