

Bad Cash Quartet, Dirty Days

The dirty days are over here
no we don't care about tomorrow
I only breath because I can
I only breath because I can
and I know my place(and I know my place)
yeah I know my place on your scale
yeah I know my place(yeah I know my place)
yeah I know my place on your scale
so I stay here tonight
this is where we are living our lives
and that is all right
I go for the broken ones
do you ever really try
you critesize and run, you hide now
I only breath because I can
I only breath because I can
yeah I know my place(yeah I know my place)
yeah I know my place on your scale
yeah I know my place(yeah I know my place)
yeah I know my place on your scale
so I stay here tonight
this is where we are living our lives
and that is all right
and i fall for the songs
yeah I fall for the friends happiness
so I stay here tonight
this is where all my dreams never ache
and that is all right
so fall for the songs
yeah I fall for the fast happiness
and that is all right..
