

# Bad Catholic Schoolgirls, Pants Come Off (do the

AG = Awesome Gorgeous' lyrics

ST = Special T's lyrics

AG:

On with the show and off with the pants

both:

Pants Come Off is the name of the dance

ST:

its a hit song, straight from the bong, to make ya cough

AG:

we got this new dance we call the pants come off

and you'll find we spit rhymes so fine, in no time

you'll be out of your panties with your hands down mine

and now i'd like to pass the mic to T

do the pants come off

ST:

professionally

get down on ya knees, i got enough dick cheese you could chew it

and you'll do it, blow a bubble like it was juicy fru-it

you blew it, when i'm done with you you're spewin fluid

AG:

snottin semen through your nose like youve been doin' glue hits

hittin your slot like i was at casino rama

spit on the mic, i got your camel toe droolin like a llama

but i digress,

ST:

show the pants come off to your mamma

her vagina's dried up like quadalajara

underneath a bush, harder to find than osama

oh wait, where was i?

both:

pants come off ya

AG:

on with the show and off with the pants

both:

pants come off is the name of the dance

ST:

pants come off is the name of the dance

AG:

i'm like the motherfuckin lord of the pants

ST:

come off, and i'll make you shake til you break

pants on the floor like oprah on a cake

step right out, don't make the same mistake

i did, it's unsafe, you could break your legs

AG:

haha! when special t smokes marijuana

trips out, of his shoes- hits the floor quicker than madonna

have a nice trip, see you next fall

gimp couldn't do the pants come off at all!

ST:

dammit awesome gorgeous why you breakin my balls?

i snapped in half pushin through my mom's vaginal walls

AG:

oh well she wont be so tight when i'm finished with her

but she looks messy down there, can i borrow your swiffer

wet jet? .. i'm well hung, like saddam hussein

nothin gets me harder than your mom's vericose veins

but i digress,

ST:

yall ain't dancin yet  
both:  
push down the trousers and pull back the crest
