

# Bad Company, Deal With The Preacher

I need love, the kind of love I've never know before  
You need it too the kind that makes you feel secure  
I want to give, give you all the love you need  
But I'm a loner baby and that's the way I want to be  
As the sun climbs across the sky above  
So your smile fill me with a stronger love  
Just you and I, baby, watchin' the morning sky  
Somehow I know it's time for me to say goodbye  
Here's why  
I can't make a deal with the preacher  
And I can't make a bargain with Heaven  
Angel you came to my window  
Angel you came to my door  
I was a fool when I let you in  
I sure I ain't no fool any more  
As the sun climbs across the sky above  
So your smile fill me with a stronger love  
Just you and I baby, watchin' the morning sky  
Somehow I know it's time for me to say goodbye  
I can't make a deal with the preacher, baby, oh yeah  
And I can't make a bargain with Heaven  
Heaven knows me by now  
I can't make a deal, no, no, na, na  
I can't make a deal, make a deal  
Make a deal, make a deal  
Make a deal, make a deal  
Make a deal, make a deal  
Yeah, yeah  
I will get baby for that  
I can't make a deal, make a deal  
Make a deal, make a deal  
Make a deal, make a deal  
And I can't make a bargain with Heaven
