

Bad Company, Deal With The Preacher (live)

I need love, the kind of love I've never know before
You'll need it too the kind that makes you feel so good
I want to give, give you all the love you need
Well, I'm a loner, baby and that's the way I want to be
As the sun climbs across the sky above
So your smile fill me with a stronger love
Just you and I, baby watchin' the morning sky
Somehow I know it's time for me to say goodbye
Here's why
I cant make a deal with the preacher
And I can't make a bargain with heaven
Angel you came to my window
Angel you came to my door
I was a fool when I let you in
I sure ain't no fool any more
As the sun climbs across the sky above
So your smile fill me with a stronger love
Just you and I, baby watchin' the morning sky
Somehow I now it's time for me to say goodbye
Now let me say
I can't make a deal with the preacher, baby, oh yeah
And I can't make a bargain with heaven
Heaven knows me right now
I can't make a deal, oh no
I can't make a deal, make a deal
Make a deal, make a deal, make a deal
Make a deal, make a deal, make a deal
I can't make a deal, make a deal
Make a deal, make a deal, make a deal
Make a deal
And I can't make a bargain with heaven
