

Bad Company, Fearless

Bad Company

Holy Water

Fearless

Everyday of her life, she's been living in a fantasy world

Chasing her dreams, so close she could scream

Inside she's just a little lost girl

When she's hot for action, she knows the right place, yeah

But she's ready for trouble, she just can't wait, no, look at her face

You know she's

Chorus:

Fearless, fearless - dancing on the tables

Fearless, fearless - tearin' up the floor

Fearless, fearless - the girl is such a rebel

She's so hot, I can't take anymore

Oh no, she's so fearless

In the middle of the night, you know that sometimes she's gonna show

Never bothers to knock, 'cos baby ready or not

You know she'll find somewhere to go

Don't ever stop her dancing or get in her way, yeah

You know she's heading for trouble, the girl's a disgrace, look at her face

You know she's - chorus

The girl's got nothing to lose, she'll never be a lady

So don't put your head in her noose, you know she'll drive you crazy

(Solo)

she's hot for action, she knows the right place, yeah

But she's heading for trouble, the girl's a disgrace, look at her face

You know she's - chorus repeats out...
