

# Bad Company, Simple Man

I am just a simple man, working  
On the land, oh it ain't easy  
I am just a simple man, working  
With my hands, oh believe me  
Freedom is the only thing means  
A damn to me, oh you can't fake it  
Freedom is the only song, sings  
A song for me, oh we're gonna make it  
I am just a simple man, trying  
To be me, oh it ain't easy  
I am just a simple man, trying to  
Be free, oh believe me  
Freedom is the only thing means  
A damn to me, oh you can't fake it  
Freedom is the only song, sings  
A song for me, oh we're gonna make it  
I am just a simple man, working  
On the land, oh it ain't easy  
I'm just a simple man, working  
With my hands, oh baby, believe me  
I'm just a simple man, yeah, yeah  
Freedom is the only thing means  
A damn to me, I'm just a simple man, yeah
