

# Bad English, Tough Times Don't Last

From a desperate place, how do I reach you?  
You know I scare myself, these crazy nights without you  
And I feel no pain when I see you cry  
We can turn it around now, you're my reason to try  
We've all seen some trouble  
But we've always come through  
You know things could get better  
Hey babe, believe me  
Tough times don't last, lovers do  
Baby, don't give up, on me and you  
'Cause trouble's just a storm that's gonna pass  
Tough times don't last  
We can work so hard, til' we feel the strain  
We can get so close, it's the distance we can't explain  
Still I reach for you, in the pourin' rain  
Like a change in the weather, here comes the sun  
Things could only get better  
Hey babe, believe me  
Tough times don't last, lovers do  
Baby, don't give up, on me and you  
'Cause trouble's like a storm that's gonna pass  
Tough times don't last  
You say now that your heart is breakin'  
From the wild times that you've lived  
Better measure the risks that you're takin'  
Hey babe, it only get better  
Tough times don't last, lovers do  
Baby, don't give up, on me and you  
'Cause trouble's like a storm that's gonna pass  
Tough times don't  
Tough times don't last, lovers do  
Me and you  
Believe me baby, oh yea  
Tough times don't last  
Baby now, oh yea  
Na, na, na, na, na, na, na, na, na, na  
Oh yea  
It's me  
It's you  
Oh yea  
Tough times don't last
