The Mask Of Mona Lisa

Shes discovered a brand new way to feel superior

Shes discovered another way to get attention

Shes discovered how an attitude can change her life

Shes putting on the mask of mona lisa

I dont know, maybe she spent the summer in verona

And in an attic found the missing notebooks of old leonardo

All the tricks of trickery were laid out for her virgin eyes

Shes discovered a brand new way to feel superior

I dont know, maybe she was on an african adventure

Found herself in the death grip of young boa constrictor

And acting unimpressed was the only way to save her life

Shes discovered a brand new way to feel superior

Shes discovered another way to get attention

Shes discovered how an attitude can change her life

Shes putting on the mask of mona lisa

Putting on the mask of mona lisa

Maybe its a part of the human condition

Maybe its a sign of an unhappy heart

Maybe its a part of an unnatural tradition

But she took to the position like a water snake to water

I dont know, maybe its just a phase that shell grow out of

When she has kids of her own, she can blame them for her problems

cause all shes ever wanted were the questions that have easy answers

Shes discovered a brand new way to feel superior

Shes discovered another way to get attention

Shes discovered how an attitude can change her life
