Bad Examples

Bad Is Beautiful

You Owe Me Money

I think i'm gonna like this

Cutting you down to size

I've never been a bully -- i think it's about time

Gonna take you in the alley

Cut you up against the wall

Makes me feel so big -- makes you look so small

You owe me money

You owe me money

You owe me money

I'm gonna get it all

You're a real james dean

Another rebel on the run

You gotta pay a price

For having other people's fun

Don't mess with me baby

'cause i've been standing in your shoes

They got it out of me

I'm gonna get it out of you

You owe me money

You owe me money

You owe me money (yah)

Money (yah)

Money (yah)

I'm gonna get it all!!
