

Bad Girl, Let Me Sign

Oh oh oh...

Oh oh oh...

She was standing there by

The broken tree

Has her arms twisted

She pointing at me

I'll stand, but I ain't comin'

Over as she.

She spoke with a voice, that

Struck at the sky

She said:

"Come on over, yeah

Bittersweet

I'll wrap you in my arms"

And she said:

"Let me sign

Let me sign"
