Bad Language

Clouds

Chew

more than I can handle

more than I can chew

more light the candle

more the I can do

(chorus)

these times I gotta chew

you up

these are the times

I had enough

more than I can see

more than I can understand

more than I can be

more than I can stand

(chorus) 2x

more than I...

more than I...

more than I...

can be

(Joey's guitar solo)
