A loose cannon on your shoulder  
You've got a strawberry on your hips  
And you've got some phantasmical images  
And you've got, you've got your rich hips  
Cos, you're all looking for adventure  
And you've got earphones on your bicycles  
There's people watching over  
And you got a bong in your pocket  
You could...

Follow the leader  
Follow the leader  
Follow the leader

Put some leader on the tape  
Give batman back his cape  
Don't ask for a sucker  
You stupid mother fucker

Cos I sound like Beck  
What I do over in Germany  
Is order alot of Speck  
You know what I'm talking about  
When you go home for dinner  
You gotta keep on your shoulder

Follow the leader

We're not the Foo Fighters  
On Saturday, we like our grinders  
If you go home for pizza  
You kiss mother Theresa

She is in her coffin  
Lady Diana's coffin
