## Bad Religion, Joy To The World

Ladies and gentlements (hand clapings)of the comunity of angels I'd like to share a little something we've done...

Joy to the world
The Lord is come
Let Earth receive her King
Let every heart
Prepare Him room
And Heaven and nature sing
And Heaven and nature sing
And Heaven
And Heaven and nature sing

He rules the world
With tooth and nail
And makes us follow him
They can't tell us why
They just fall in line
And he shall rule the world
And he shall
And he shall
And he shall rule the world

He rules the world I've said that before And now i think i'm done I can't remember anymore Of this crazy song But hey it's chrismas time But hell it's chrismas time And he he, and ho ho ho It's chrismas time
