

# Bad Religion, ...You Give Up

Bad Religion  
Into The Unknown  
...You Give Up

so...

you've given it all you can  
and your life is in the garbage can  
and you say you're tired and dry  
cuz your mind won't let you cry  
so you hang up what is left inside  
and you want to kiss it all goodbye

you're lost in space, you're swirling ever higher  
you're lost on your own, you're too far from home  
you're no one's friend, you gave it your best try yeah!  
you're stuck in the drone, of being alone.

you turn to light, but all you get is darkness  
your head turns to stone, your numbness has grown  
you're stuck inside your little world of rejects  
the good world unknown, you're stuck in the drone.
