CHORUS:

It was a bad idea  
but I had to follow through  
she had no idea what i wanted to do  
it was a bad idea  
but i had to hit it anyway

DOUG:

Candy caught my eye when she walked by lookin' like a freak  
i leaned over kissed her on the cheek  
i was being careful not to move too fast  
but she smiled when i gave her a backstage pass  
a real star fucker, she put me to the test  
then i noticed Doug Ray tattooed on her breast  
i thought i was blessed to meet this treat  
candy had a place right down the street  
it didn't take long to achieve my goal  
and i lost control of mind, body and soul

CHORUS

KAZ:

let me tell you how i got my pumas stolen  
it was a summer day and the sky was golden  
i was having a slice down on university  
and in comes a cutie, about 5 foot 3  
caught her checking me out so i flashed a smile  
introduced myself cause thats my style  
she said "yeah i know you, i love your CD"  
&"i know all your rhymes, you're my favorite MC"  
quick to the point no time at all  
snuck on in to her residence hall  
in ten minutes flat we were both butt naked  
kid was screaming and yelling yo i just couldn't take it  
her roommate got pissed while we fucked in her bed  
bitch stole my pumas while i was getting head

CHORUS

WHITE OWL:

i cant believe im never ever gonna see you again  
you were more than a lover, you was also a friend  
the things i learned, in just one night  
when i say goodbye, it'll be alright, alright, alright!  
now people let me tell you 'bout this girl Suzanne  
met her at the bar and i was like god damn!  
she didn't have a man, no drink in her hand  
bought her a shot and took her back to the van  
she was tall, slim and tan. A White Owl fan  
asked if i would take part in some perverted plan?  
she dropped her skirt, she had another head  
i lost my pride in that groupie's bed

CHORUS (till end)
