Get back bitch

The beggining:

Yo yo yo this is Badazz in the motha fuckin house and if any haterz got a problem with that then ge

verse 1:

People trippin my finga is slippin on the trigga,when you blew up bitch it was small but i'mma blow.
You better keep yo wife locked inside or i might just fuck her mista, in fact i might just have to go ar
She's of age so it's all good i cant get in trouble, when i touch on her skin just like a cookie she will
Maybe after we fuck we can lay in bed and cuddle,not to put you down but like two kids in a mud pu
I really hope that pussy's tight i wanna fell ya girl,I wanna know that you feel it when i rock yo world
And now they after me why do i have to be, the one that hung yo daddy from a motha fuckin tree,
I just hope that if they catch me you will set me free,then take me home lay me down and make lov
That lock they put on you'r heart girl i got the key, i'm not in love i just wanna fuck girl it's plain to se

chorus 1:

This my story it's DvD in the house if you bitches wanna know what the fuck i'm all about keep talki

verse 2:

People trippin they tryin to see if they can catch me slippin, but i dont care cause i'm still on this cor
I'm still sippin these hoes they got me skinny dippin, I'm still lickin when she gets on top then i be g
I'm still livin my life as a dope fiend, fuck with me then you bout to see me get mean,
I'll tag yo ass with a motha fuckin lazor beam, maybe then you'll see you'll never be as bad as me,
Have you ever used a beam to get even, i dont think so bitch so i think you should be leaving,
I'm not sayin this shit to try to keep you from breathing, i'm just warning you so i dont have to leave
I'm like a warrior in this game when i spit this shit, which means i'm not just gonna take the fuckin n
I dont like to be bored i like to write when i sit, and just incase you wanna know bout DvD this is it,

chorus 2:

So thats it and this concludes my shit now i'm bout to go out back smoke and get lit if you wanna g

The end:

And thats it 05 is my millineum i'm gonna shine so to all my homies out there keep it real keep smo
