

# Badfinger, Apple Of My Eye

Oh, I'm sorry, but it's time to move away  
Though inside my heart, I really want to stay  
Believe the love we have is so sincere  
You know, the gift you have will always be  
You're the apple of my eye  
You're the apple of my heart  
But now, the time has come to part  
Oh, I'm sorry, but it's time to make a stand  
Though we never meant to bite the lovin' hand  
And now, the time has come to walk alone  
We were the children, now we've overgrown  
You're the apple of my eye  
You're the apple of my heart  
But now, the time has come to part  
Oh, I'm sorry, but it's time to move away  
Though inside my heart, I really want to stay  
Believe the love we have is so sincere  
You know, the gift you have will always be  
You're the apple of my eye  
You're the apple of my heart  
But now, the time has come to part  
Now, the time has come to part  
Now, the time has come to part
