

# Badfinger, It Had To Be

Had to be, don't look back, you're older  
Take it from me  
Love you have is stronger  
And in your eyes I see myself  
I want from you what you want of me  
And you know  
The love you have is stronger

It had to be, don't look back, you're older  
Ahh, ahh  
And in your eyes I see myself  
I want from you what you want of me  
And you know
