

# Badfinger, One More Time

Got no time for hurryin'  
Got some time to kill  
Promises I've never made  
I'll be on my way

CHORUS:  
Make you feel like laughin'  
Feel like cryin'  
Feel like tryin' one more time  
One more time

Look into this heart of mine  
Tell me what you see  
Love is there for you to find  
Love is what you need

CHORUS

Sometimes, your feelings can take you by surprise  
Still, you try one more time  
You try one more time

[guitar solo (Joey Molland)]

CHORUS

Ooooooh, ooooooh, ooooooh, ooooooh  
[cricket].
