

Badfinger, Rockin' Machine

A-one, two, buckle my blues...

I'm making it this time
I'm making it this time

I'm making it this time around
Before I lose my mind again
Before I lose my mind

At times she rules my mind
I sit here marking time
Well, I'm well in with the rockin' machine
Put me down, you don't know where I've been
Oh, I'm a rockin' machine

Lately, I've been thinking what makes a man
But I can't for the life of me
Get away from the rockin' machine
Oh, I'm a rocking machine
Oh, I'm a rocking machine
Oh, I'm a rocking machine.
