

Badfinger, Storm In A Teacup

Well, you just slammed the door in my face
Well, that ain't any disgrace
It's a natural thing to do
Because true love never runs smooth

Well It's just a storm in a teacup, baby
We'll never break up, baby
Storm in a teacup, baby

You will leave for a day
Then come back here anyway
You'll come knocking on my door
And then tell me, "Shut that door!"

Yeah Yeah It's just a storm in a teacup, baby
We'll never break up, baby
Storm in a teacup, baby

It's just a storm in a teacup, baby
We'll never break up, baby
Storm in a teacup, baby

You will leave for a day
Then come back here anyway
You'll come knocking on my door
And then tell me, "Shut that door!"

It's just a storm in a teacup, baby
We'll never break up, baby
Storm in a teacup, baby
We'll never break up, baby
Storm in a teacup
Storm in a teacup
Storm in a teacup, yeah.
