

# Badfinger, Storm In A Teacup

Well, you just slammed the door in my face  
Well, that ain't any disgrace  
It's a natural thing to do  
Because true love never runs smooth

Well It's just a storm in a teacup, baby  
We'll never break up, baby  
Storm in a teacup, baby

You will leave for a day  
Then come back here anyway  
You'll come knocking on my door  
And then tell me, "Shut that door!"

Yeah Yeah It's just a storm in a teacup, baby  
We'll never break up, baby  
Storm in a teacup, baby

It's just a storm in a teacup, baby  
We'll never break up, baby  
Storm in a teacup, baby

You will leave for a day  
Then come back here anyway  
You'll come knocking on my door  
And then tell me, "Shut that door!"

It's just a storm in a teacup, baby  
We'll never break up, baby  
Storm in a teacup, baby  
We'll never break up, baby  
Storm in a teacup  
Storm in a teacup  
Storm in a teacup, yeah.
