

# Badfinger, The Dreamer

There was a young man  
Watched his life unfold each day  
He only wanted to play  
He only needed a ray

And then he found out  
One rainy afternoon, he'd lost  
All he'd earned and was tossed  
In the rivers he'd crossed

CHORUS:

And there he came across the dreamer  
Who told him life was but a dream  
And all that you can see is all that you can be

There was a young love destined to get old someday  
Didn't happen that way  
They never learned how to say

We've got a long, long time between us  
We've got a long, long way to go  
But I believe if we let it, our love will grow

[guitar solo (Joe Tansin)]

CHORUS

We've got a long, long time between us  
We've got a long, long way to go  
We've got a long, long time between us  
We've got a long, long way to go  
We've got a long, long time between us  
We've got a long, long, long way to go  
Long way to go  
(Long, long time between us)  
And I believe if we let it, our love will grow  
Our love will grow  
Our love will grow.
