

# Badfinger, To Say Goodbye

It's late. I know it's time we were letting go  
But I can't bring myself to say goodbye  
It's been so long. There's no use in holding on  
But I can't bring myself to say goodbye

I know so well what I have to do  
But my heart gets in the way  
I'm standing here. I'm just a fool in love  
What can I do or say

I know. I see, but now that you're here with me  
I can't bring myself to say goodbye

But I can't bring myself to say goodbye

I know so well what I have to do  
But my heart gets in the way  
I'm standing here. I'm just a fool in love  
What can I do or say  
I can't bring myself to say goodbye  
I can't bring myself to say goodbye
